Anchored in consistency, Trust, and an uncompromising standard of quality, Mufindi Eagle Star Limited Continues to position itself as a reliable partner of choice in meeting complex and critical business needs.

## Company Management

---

**Mufindi Eagle Star Limited** is a brain strain of two Directors who form the management team of the company assisted by a team of five professional personnel in the aforesaid trade lines.

## Our Core Services...

1.

### Port and Lifting Equipments

▶ We provide comprehensive solutions for maritime and terminal operations, specializing in the supply, maintenance and certification of heavy-duty lifting machinery.

2.

### Mining Equipment

▶ Dedicated to support the extraction industry, we supply robust machinery and technical support for surface and underground mining operations.

3.

### Fuel & Energy System

▶ We offer integrated energy solutions focusing on the installation and management of fuel storage systems, power generators and renewable energy transition.

4.

### Agriculture Machinery

▶ Empowering the agricultural sector, we provide advanced mechanized solutions ranging from land preparation to post-harvest processing.

## 5. Construction Equipments

- ▶ We provide a Comprehensive range of heavy-duty construction machinery and specialized tools designed to enhance productivity on-site.

## 6. Power Generation & Backup

- ▶ We provide robust power solution, including installation, commissioning, and maintenance of high-capacity generators and Uninterruptible Power Supply System

## 7. Electrical System & Solution

- ▶ Our electrical division delivers end-to-end engineering services, ranging from industrial wiring and control panel assembly to large-scale power distribution networks.

## 8. Motor vehicle/cycles spare parts and accessorie

- ▶ We are trusted supplier of high-quality, genuine spare parts and accessories for a wide variety of motor vehicles and motorcycles.

## What We Do

**Mufindi Eagle Star Limited** specialized in following key areas

01.

Supply of Agro-industrial Spare parts

Our company specializes in the reliable supply of high-quality agro-industrial spare parts, supporting the smooth operation and longevity of agricultural and processing equipment. We understand that efficiency in the agro-industrial sector depends heavily on the availability of durable, precise, and compatible components. For this reason, we are committed to delivering a comprehensive range of spare parts that meet both local and international standards.

02.

Port and Lifting Equipments

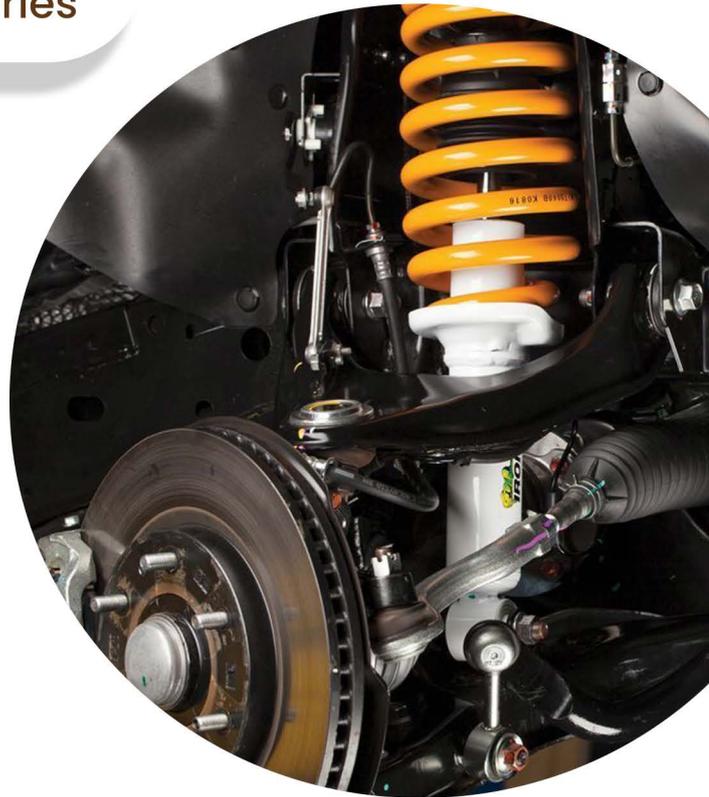

We specialize in the supply, installation, and maintenance of high-quality port and lifting equipment designed to support efficient cargo handling and industrial operations. Our solutions are tailored to meet the demanding requirements of ports, warehouses, construction sites, and logistics centers.

**03.**

### Supply of Motor vehicle/cycles spare parts and accessories

Our company is a trusted supplier of high-quality spare parts and accessories for motor vehicles and motorcycles, dedicated to ensuring safety, performance, and reliability on the road. We recognize that both personal and commercial transportation depend on well-maintained vehicles, which is why we provide a wide range of durable and efficient components to meet diverse customer needs.

**04.**

### Supply of Electrical materials and hardware

We supply a wide range of electrical materials, including cables and wires, circuit breakers, switches, sockets, distribution boards, lighting systems, conduits, connectors, and electrical panels. In addition, we offer various hardware products such as fasteners, hand tools, protective equipment, mounting accessories, and installation components required for electrical and general construction works. All our products are sourced from reputable manufacturers and comply with recognized safety and quality standards to ensure durability and safe operation.

## 05.

Supply of tires, tubes,  
batteries and lubricants.e

Our company is a reliable supplier of high-quality tires, tubes, batteries, and lubricants, providing essential products that ensure the smooth operation, safety, and longevity of vehicles and machinery.

We are committed to delivering durable and performance-driven solutions that meet the needs of individuals, businesses, and industrial operators across various sectors.

We offer a wide selection of tires and tubes suitable for different types of vehicles and equipment, including passenger cars, motorcycles, trucks, agricultural machinery, and industrial equipment. Our products are designed to provide excellent traction, stability, and durability under diverse road and environmental conditions.

Whether for on-road or off-road use, we ensure that our tires meet high standards of safety

In addition, we supply a range of reliable batteries for automotive and industrial applications. Our batteries are sourced from trusted manufacturers and are known for their long life, strong performance, and resistance to harsh operating conditions. They are suitable for various vehicles and equipment, ensuring consistent power supply and dependable starting performance.

06.

## Energy & Petroleum Supply

Mufindi Eagle Star Limited We provide end -to-end procurement and distribution of high-quality refined petroleum products and energy solutions. from industrial fuel to specialized lubricants,we ensure a steady, reliable supply chain that keeps your machinery and opertaions moving without interruption.

## Energy & Petroleum Supply [Continue.....]
